

SATELLITE RADIO IS REALLY AN ENJOYMENT. i BELEIVE THAT THE INSTANT TRAFFIC AND WEATHER WILL BE A BLESSING. it WILL BE STRAIGHT FORWARD AND TO THE POINT. not HAVING TO LISTEN TO SOME OVER-EGO PERSONNALITY STUMBLE THRU IT. SOME FM STATIONS EVEN TODAY DO NOT GIVE THE WEATHER OR TRAFFIC REPORTS. STOPPING THIS WOULD PROVIDE ME WITH ANOTHER REASON TO TURN MY RADIO OFF. i WENT TO SATELLITE RADIO THE SAME WAY THAT I DUMPED CABLE TV AND WENT TO SATELLITE TV. WHY DO YOU HAVE TO CATER TO THE LOBBIST AND THE WHIMS OF THE NAB. COMPETITION IS GOOD FOR BUSINESS.
